LATE/NON-PAYMENT OF FEES POLICY

Fees are either grant funded by the government or paid privately by parents/carers.

If parent/carers inform us that they are experiencing difficulties in paying fees we aim to liaise with them to offer alternative payment arrangements.

- 1 Parents are invoiced at the start of each half term advising them of the fees payable.
- 2 Fees should be paid by the end of the third week of each half term at the latest.
- 3 At the end of the third week a reminder will be issued.
- 4 We ask parent/carers to advise our Business Manager of any difficulties they may be experiencing in regard to payment of fees.
- 5 We can offer payment plans which would be agreed according to circumstances.
- 6 A late fee of £10 will be added to the outstanding fees if payment is not received by the end of the fourth week of each half term.
- 7 If, at the end of the current half term, no payment has been received we will have no option but to terminate the child's place until full payment has been made.
